

The Riverbed Professional Services Steelhead Onsite Residency program is perfect for those customers that need a Riverbed Consultant onsite to assist in their Steelhead deployment.

## Riverbed® Professional Services Onsite Resident

### Riverbed Onsite Resident

#### Flexible Professional Services Consulting When You Need It

Are you anticipating growth and ready to improve Riverbed deployment in new and innovative ways? Riverbed Professional Services offers an Onsite Riverbed Steelhead Residency program. The full-time Riverbed onsite consultant will assist you in the design, deployment, configuration and ongoing management of your Riverbed network infrastructure.

#### Benefits

- Maintain the health of your current Riverbed Steelhead infrastructure
- Diagnose issues and resolve them proactively
- Determine the most appropriate method to add new projects, applications or traffic to your existing Riverbed Steelhead infrastructure
- Great for locations with little or no local IT staff
- Analysis of your environment
- Customer-specific configuration
- Industry best practice deployment

#### Deliverables

- Onsite Riverbed Senior Consultant to perform an analysis of your Riverbed Steelhead infrastructure
- A customized operational knowledge transfer session for designated customer personnel managing the Riverbed solution

#### Scope

- Riverbed Onsite Residents do not replace Riverbed training services or other Riverbed Professional Services programs. Riverbed training classes have pre-defined, broadly-scoped agendas
- Options of 6-month or 1-year residencies

#### For More Information

About Riverbed

Riverbed Technology is the IT infrastructure performance company. The Riverbed family of wide area network (WAN) optimization solutions liberates businesses from common IT constraints by increasing application performance, enabling consolidation, and providing enterprise-wide network and application visibility – all while eliminating the need to increase bandwidth, storage or servers. Thousands of companies with distributed operations use Riverbed to make their IT infrastructure faster, less expensive and more responsive. Additional information about Riverbed (NASDAQ: RVBD) is available at www.riverbed.com
