

Declaration of Compliance with RoHS

Riverbed hereby certifies that our product models:

DTABA, 1UABA and 3UABA

Do not contain hazardous substances meet Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the Restriction of the use of certain Hazardous Substances in Electrical and Electronic Equipment (also known as the "RoHS" Directive) and Commission Decision of 18 August 2005.

This complies with the requirements of the EU RoHS Directive for banned Substances

- Mercury <1000ppm
- Lead <1000ppm
- Cadmium <100ppm
- Hexavalent Chromium <1000ppm
- Polybrominated Biphenyls(PBBs) <1000ppm
- Polybrominated Diphenyl Ethers (PBDE) <1000ppm

In addition, our parts and material supplier require providing their company's declaration sheet that guarantee their products comply with RoHS directive as well. These are available upon request.

A handwritten signature in black ink, appearing to read "Richard Aginsky". The signature is stylized and includes a small number "76" at the bottom right.

Richard Aginsky
Hardware Manager
Riverbed Technology.
