

Cascade Shark Trade Up Program

Trade up your Cascade Shark for SteelCentral NetShark

With the new SteelCentral NetShark 41xx line you can significantly boost your ability to troubleshoot with longer packet capture and storage capacity. The new appliances provide:

- Double the base storage capacity, up to 576TB
- Modular form factor (stay tuned for exciting new announcements here)
- An option for storage redundancy
- Significantly more memory (up to 64GB)
- Double the port density to 8 x 10Gbps ports

Leverage attractive incentives

- Get up to \$9,950 in credit for each Cascade Shark you trade up
- Receive credit for any unused support and start fresh

Ensure success

Let us help you succeed. Our experienced professional services team can:

- Evaluate your readiness and current IT and business needs
- Install and implement your upgrades using best practices
- Enable your team to maximize your investment

Trade up options

From	To
NetShark 1100	SteelCentral NetShark 2170, 4170 or 6170
NetShark 2100 NetShark 2200 NetShark 3100	SteelCentral NetShark 4170 or 6170
NetShark 3200	SteelCentral NetShark 6170

NEXT STEPS

- ✓ **IDENTIFY DEVICES:** Inventory existing appliances eligible for trade up.
- ✓ **ASSESS YOUR NEED:** Select new appliances and modules based on current IT and business needs.
- ✓ **DETERMINE READINESS:** Assess your ability to quickly implement upgrades and leverage new software modules and capabilities.
- ✓ **CONTACT US:** Talk to us directly about how to receive credit and trade up your appliances now!

Or bring in our professional services team (proserve@riverbed.com) to help you assess your needs, implement your upgrades and enable your team for success.

Trade up guidelines

When you participate in the trade-up program, you will need to:

- Trade one older appliance for one new appliance
- Trade up to an equivalent or higher-sized model (See Trade Up Options table above.)
- Start a new support contract; any unused support is returned to you

Key Dates: End of Availability and End of Support
